The humble memorial of Khairunnissa Begam, the daughter of the late Tippu Sultan Bahadur, Mysore State pensioner no: 8, the youngest daughter of Haji Mohieddin Kurashi, the eldest son of Meer Ghulam Ali Meer Sudoor

Most respectfully sheweth

That the humble memorialist submitted for the sympathetic consideration of His Highness the Maharaja Govt: her petitions praying for the continuance to her of a portion of her mothers pension, that the benign Govt: in their Endorsement no: H736 dated 12th June 1915 informed her that as her mother's pension was a life grant, it lapsed to Govt: on her death and could not therefore be continued to her (the humble memorialist).

That the petitioner humbly ventures to state that the benign Govt:, from their clemency and in consideration of the valuable services which her great grandfather, Mir Ghulam Ali Meer Sudoor rendered in the cause of Govt: have in several cases departed from their ruling and mercifully granted pensions to the several descendants of the brothers and sisters of her late mother, (as a reference to the appended statement will show) which they enjoy to the present day, though the amount of 3000 pagodas sanctioned annually to the original grantee, the said Meer Sudoor was only "for life" as mentioned in the Mysore Commissioners Despatch to the Governor-General dated 12th June 1799 enclosed in Asiatic Annual Register for the year 1799 – Supplement to the State papers, page 288; and when the benign Govt: have been pleased to extend their helping hand to her (the petitioner's) cousins and their descendants, the petitioner most respectfully begs to submit that her mothers pension alone cannot end with her life without being continued to her, the only descendant and legal representative of the youngest granddaughter of the said Meer Sudoor.

That the memorialist, in this connection begs to bring

begs to bring to the kind notice of Govt. the merciful treatment shown to the descendants of her aunts Jani Begam, and Fathima Begam, and her eldest uncle Murtaza Raza Kuraishi, the ~~Eldest~~ elder sisters and Eldest brother of my mother: On the demise of Jani Begam, her son Hajee Ghulam Dastagir Cheda was granted a pension of Rs 72-8-, a month; and on his death, a pension of Rs 50 was continued to his son Haji Ali Ahmed, and that of Rs 20/- to his daughter Azmathunnisa Begam, and this lady dying a premature death, the full amount of her pension was distributed amongst her survivors Sayed Ghulam Ali Razavi, her husband, Mir Mohiddin Badsha her only son, and Amathulla Begam, and Balkulla Begam, her two daughters, though the pension enjoyed by her (the said Jani Begam) was expressly "for life", but the indulgent Govt. out of mere clemency and out of regard to the said Mirs Sudoor, and with a desire not to see the descendants of that illustrious man reduced to indigent circumstances, have never observed the phraseology 'for life' with any amount of seriousness, but granted pensions from time to time to the successive generations of the said Mirs Sudoor.

Again, as regards her other aunt Fathima Begam, the Govt. Continued her pension, after her death to her two sons Fareed Hussain Sayed and Ghulam Ahmed Sayed and her widowed daughter-in-law and orphan grand daughters Khadir Bee, and ~~Kareem~~ Kareem Bee, the wife and daughters of her last son Ghulam Dastagir Sayed; though her pension also was "for life", but here too, the benign Govt. from a truly parental solicitude released in favour of her (the petitioners) aunts descendants. Further when her (the petitioners) eldest uncle Murtaza Raza Kuraishi died, his survivors applied for the grant of a ~~pension~~ portion of their father's pension to them, but their application was first rejected on the ground 'that the pension enjoyed by the deceased (the petitioners uncle) was a mere life grant and ceased with the death of its holder'; but on a further representation being made by them (the his descendants) the generous ~~Govt~~ Govt. as usual set aside their ruling (which in fact was intended to be treated as formal) and granted pensions of Rs 9-10-6 each to the widow and daughter and that of Rs 23/- to the son of the deceased respectively.

That the petitioner here begs to point out that she is only 3rd in descent

in descent from the original grantee and stands in the same position as Hajee Ghulam Dastagir Cheda, ~~Fareed Hasan Sayyed~~, and Ghulam Mohammed Sayyed, the sons of her two aunts, and yet the generous Govt. is not pleased to consider her humble claim to her mothers pension, when in precedents quoted above, His Highness the Maharaja's Govt. extends to persons in 4th or even 5th descent from the said Meer Ghulam Ali, Meer Sudoor, as a reference to the appended statement will clearly show.

That she further begs to state that she has been so unfortunate as not to receive any sort of inheritance from her father too, as he being a poor man solely depended on the petitioner's mothers pension

That the petitioner in conclusion humbly appeals to, and centres all her sanguine hopes only in, that generosity, clemency, and loving protection of H.H. the Maharaja's Govt. which have been so liberally bestowed on the successive generations of the said Meer Sudoor, and prays that H.H.'s Govt. will, taking into view her destitute condition and her total inability to maintain her position as befits the descendants of that Meer Sudoor, the worthy ancestor, be graciously pleased to take this humble memorial of this into their kind and compassionate consideration and continue to her a portion of her late mothers pension,

For which act of kindness generosity, and Charity, the petitioner shall as in duty bound,

Ever pray,

(Sd) Khairunnissa Begam
